

# Mentor Protégé Program

## Session IV Workshop

# Sustainability Solutions for Small Business

Small businesses might think that sustainability is only relevant to large companies, and the administrative and financial costs outweigh the benefits.

This workshop will discuss how small businesses that integrate sustainability into their core business strategy can benefit from lower costs, reduced risk, and new opportunities.

November 17, 2016 | 9:00 am-11:30am  
(Sign-in begins at 8:30 am)

**J. Wayne Reitz Union, Room 2355**

Graduation immediately following workshop.
